## **Summer school in geriatric psychiatry 2022**

**The EAGP is pleased to announce the fifth “Summer School in Geriatric Psychiatry”, a 3-day course in geriatric psychiatry for junior geriatric psychiatrists.**

This course will provide a forum for bringing together budding European geriatric psychiatrists with academic or institutional potential and favour networking for future co-operation across Europe.

The attendees will improve their knowledge in old age psychiatry and share experiences about mental health programs and organizations.

The course will feature workshops, group discussions, and state of the art lectures by European experts in the field of geriatric psychiatry. The participants will be encouraged to make their own contributions and present their papers/research.

### **Who will be the attendees?**

The course will have up to 20 places for junior geriatric psychiatrists from all over Europe.

The interested junior geriatric psychiatrist is usually in their 2<sup>nd</sup> or 3<sup>rd</sup> year of general psychiatry training (depending on the national curriculum); being promoted by an old age faculty or an EAGP member is an asset. However, given the limited space, attendees will be selected on a first-come-first-serve basis.

### **Where?**

**Prilly/ Lausanne, Switzerland, in one of Europe’s oldest old-age psychiatry services**

### **When?**

**From 31<sup>st</sup> August to 3<sup>rd</sup> September 2022**

### **What are the course fees?**

- **500 € for each participant**
- **400 € for EAGP members or members of societies that are affiliated to EAGP**
- **200 € for participants coming from European middle income countries (OECD)**
- **For participants coming from European lower income countries (OECD) the EAGP offers a scholarship for 2 people of 600 € each (comprising 300 € course fees and 300 extra €).**
- **The fees cover attendance, food, and the social event. Hotel fees are not included, but a hotel room can be booked for attendees in the same hotel upon request by the course secretary.**
- **For participants coming from Ukraine, the EAGP offers 2 scholarships covering the fees as well as travel expenses and accommodation.**
